

# Mermaid Beach Surf Club DINNER MENU

Mermaid Beach Surf Life Saving Club was established in late 1945 by a group of soldiers recently back from the World War. These soldiers started this club in an effort to provide a much needed service to the community as well as provide recreational activities to the soldiers waiting to be discharged.

We probably have grown beyond the expectations of our first inaugural Bronze Medallion graduates who were fully qualified on Christmas Day 1945. To our first President Corporal Horrie Armstrong or our first Club Captain Tommy Sneyd, the Mermaid Beach Surf Life Saving Members, Staff and Volunteers are proud to be part of something bigger than our founding fathers could ever imagine.

Please enjoy your visit to our beloved club and by supporting this Club you are supporting Surf Life Saving. Profits generated from this Supporters Club go directly into the day to day running of the Life Saving business on the beach. So eat, drink and celebrate knowing you are helping this community save lives and provide a valuable service to this community that we all can enjoy.

To the Current President: Mr. Ron Plass and to the Current Club Captain: Mr. Pete Degnian and the many, many more who volunteer their time and expertise to keep our beaches safe, we thank you.
